1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 29, 30, 33 and 34 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 29, 30, 33 and 34 contain the trademark/trade name EUDRAGIT L 100-55, AQUATERIC, SURETERIC, HPMCP-HP-555, EUDRAGIT RS, CARBOPOL 971P and METHOCEL K4M. Where a trademark or trade name is used in a claim as a limitation to identify or describe a particular material or product, the claim does not comply with the requirements of 35 U.S.C. 112, second paragraph. See *Ex parte Simpson*, 218 USPQ 1020 (Bd. App. 1982). The claim scope is uncertain since the trademark or trade name cannot be used properly to identify any particular material or product. A trademark or trade name is used to identify a source of goods, and not the goods themselves. Thus, a trademark or trade name does not identify or describe the goods associated with the trademark or trade name. In the present case, the trademark/trade name is used to identify/describe specific proprietary compounds, that are members of groups of compounds identifiable by generic terminology and, accordingly, the identification/description is indefinite.

Claims 20-28, 31 and 32 are allowed.

Claims 29, 30, 33 and 34 are rejected.

Claims 1-19 have been canceled.
